## EDUCATION

VIT Bhopal University –  Bhopal, Madhya Pradesh
Bachelor of Technology – Computer Science    GPA: 8.69/10                           May 2026
Ingraham Institute English School – Ghaziabad, Uttar Pradesh
ISC – Class XII   Percentage: 94.50%                                                          May 2022
ICSE – Class X   Percentage: 92.67%                                                          May 2020

## SKILLS

**Languages:** C++, JavaScript.
**Frameworks & Libraries:** MongoDB, Express.js, React.js, Node.js, REST APIs,
**Development Tools:** Git, Postman, VS Code, Chrome DevTools
**Core CS Subjects:** Data Structures & Algorithms, Operating Systems, DBMS,OOPs.

## PROJECTS

### Connect – Social Media App
*Exposure: JWT Auth, Multer, Tailwind CSS, Context API, REST API Design, Git, Postman*
- Built a complete social platform with features like user login, post creation, likes, comments, and profile updates.
- Secured user data using **JWT authentication** and implemented error-handling middleware in Express.
- Used **Context API** for state management and **Multer** for image uploads.

### Quick Cabs – Cab Booking App
*Exposure: Real-time UI Feedback, CSS Modules, Form Validation, Custom Hooks, Protected Routes, Git, Postman*
- Designed a cab booking system with **real-time ride status**, fare calculation, and ride history per user.
- Implemented **protected routes** for secure access and used **custom React hooks** for clean code reuse.
- Used **form validation** and **modular CSS styling** for a seamless and responsive user experience.

## ACHIEVEMENTS

- Completed Investment Banking Analyst Course – Finlatics
- Participant – Flipkart Grid 5.0
- Solved 750+ problems on Leetcode

## CERTIFICATIONS

- Full Stack Developer – SmartBridge                                                         April 2025
- GEN AI Using IBM Watsonx - IBM                                                           April 2025
- Investment Banking Analyst – Finlatics                                                      May 2023
